# 2022 Marshall Public Library Summer Reading - Elementary

The goal is to read every day this summer; 5 minutes or 5 hours it is up to you. The program runs June 5 through August 13. Reading logs are due by Saturday, August 20th. You can use the paper reading log or use the Beanstack App to track your reading days and completed activities. For each day you read, you get to color in a section of the paper log.

**At the end of the program we will have grand prize drawings!**

Earn entries for the Grand Prize drawing!

1 entry for registration

1 entry for every week with at least 5 days of reading

1 entry for turning in your reading log or using the Beanstack app to track

1 entry for each additional activity completed.

Beanstack is the app we use to track reading for different library programs and reading challenges. It is free and available in your app store. All family members can be under one login. If you need assistance, please ask a librarian for help.

## Additional Activities

- |  |  |
|--|--|
| <input type="checkbox"/> Make up a poem or song and perform it for your family.                | <input type="checkbox"/> Write a letter to an author.  |
