

THE BOOKMARK

THE PORCELAIN ARTISTS

Porcelain Artists of Southeast Idaho is a group of women who join together in a shared spirit of community and creativity. PASI members typically meet once a month at the Pocatello Art Center to paint individual projects, hold classes on new techniques, or conduct re-fresher courses. PASI welcomes anyone who desires to learn more about this beautiful art form! For more information on activities, events, workshops, tips and techniques, visit PACI's Facebook page: <https://www.facebook.com/pocatelloPASI>. PASI members will display their work on the second floor of Marshall Public Library throughout May and June.
