WHAT'S NEW IN THE LIBRARY?

Come to the library to take pictures of your kids with our submarine and pirate ship!

Bring the kids to do a Scavenger Hunt to collect Ocean Animals Trading Cards! Every week we will have a new card available.

Our kid's kitchen is back! It is stocked with food and dishes for the little ones to play with. This is a great opportunity for them to learn social and literacy skills while they play!

FROM THE STACKS: "THE MIDNIGHT LIBRARY" BY MATT HAIG

Nora Seed perceives her life as unremarkable. After some devastating realizations, she chooses to end it. She finds herself in a peculiar library, a space between life and death, with an opportunity to choose a different life by undoing her own regrets. If you're fascinated by the concept of alternate realities based on alternate decisions you could have made, this book is a tonic of sorts. Read it to take a journey through the lens of "what might have been" and discover, through Nora, whether or not that's the best perspective to ponder one's life.
