

2023 FEBRUARY

THE BOOKMARK

DO YOU HAVE A TERRIFIC TODDLER?

MPL invites some of our youngest patrons, aged 15-24 months, to a story program!

This weekly event provides a special opportunity for parent & child bonding. It begins with a structured variety of stories, and music and movement. It ends with an unstructured time for toddlers to play and to begin practicing social skills in a warm storytime environment. Parents will have the chance to converse, share ideas, experiences, and offer encouragement one to another as we navigate this exciting time in your child's life.

Terrific Toddlers is offered on Wednesdays at 11:30 am! ✨ ✨

THE BANNOCK COUNTY HISTORICAL MUSEUM DISPLAY

During February, beautiful items such as Dolls and Figures from the museum will be on display upstairs. They are more than just toys – they tell a story of culture, history, religion, and more!

ALA YOUTH MEDIA AWARDS ✨

Each year the American Library Association (ALA) honors books, videos, and other outstanding materials for children and teens. Recognized worldwide for the high quality they represent, the ALA Youth Media Awards guide parents, educators, and librarians in selecting the best materials for youth. These include items from Newbery, Caldecott, Printz, and Coretta Scott King Awards.

A display with some of the teen categories and winners will be set up in the Teen Area during the month of February.

STEAM EVENT CHANGE FOR FEBRUARY

STEAM Night will be on Tuesday, February 7th instead of the 14th due to Valentine's Day. The rest of the year, STEAM will return to the second Tuesday as usual. The focus for February STEAM night will be on Astronomy! There will be a "Lunar Land On The Moon Challenge".

SIX CRIMSON CRANES BY ELIZABETH LIM

This story has lush mythology, easy-going writing that expertly tells intriguing legends, and has strong characters that are worth rooting for. It's a perfect blend of whimsy and ferociousness with twists and turns that tug at your heartstrings. This dazzling coming-of-age story has demons, curses, and magic. It's an enchanting tale of a young princess who learns to stand on her own with the love of a mother, and the knotted threads of fate. The book swept me up and took me on a journey I will never forget.
