THE BOOKMARK

THE PORCELAIN ARTISTS OF SOUTHEAST IDAHO

PASI is a group of women who typically meet once a month at the Pocatello Art Center to paint individual projects, hold classes on new techniques, or conduct re-fresher courses. They welcome anyone who desires to learn more about this beautiful art form! PASI will display their work on the second floor of Marshall Public Library throughout April and May. For more information visit PASI's Facebook page: <https://www.facebook.com/pocatelloPASI>.

THE GENTLE ART OF SWEDISH DEATH CLEANING

When her parents, then her husband, passed away this author came to understand the importance of death cleaning. It isn't the task of scrubbing so hard you feel you've worked yourself to death. Neither is it cleaning that FEELS like a fate worse than death!

It is the gentle and unhurried process of removing your unnecessary things. We don't really want to give our children the burden of taking care of many items we did not bother to take care of ourselves. This wonderful little book has ideas for going through your belongings and deciding how to part with things we do not want any more--to make life easier, less crowded, and give lightness and a new sense of freedom. - BH
