WINTERDANCE: THE FINE MADNESS OF RUNNING THE IDITAROD BY GARY PAULSEN

Gary Paulsen is best known for his Children's and Young Adult Fiction set in the wilderness. In *Winterdance*, we still get the wilderness, but it's the true story of Gary Paulsen running the Iditarod. Essentially, he decided to participate in the Iditarod even though he was currently living in Minnesota, had only a small team of dogs, and no money to get set up or travel to Alaska. Despite the life or death situations encountered in Alaska, it is told with love and humor.
