Reading Around the World

Adults 2025

50 Weeks, 50 Destinations!

- The challenge is to read 50 books in 50 weeks, one book per category, one category per book.
- Registration for this challenge is limited to Marshall Public Library patrons 18 years and older. There are also challenges available for teens and children, so there are options for everyone to participate.
- Categories are up to interpretation. If you can justify how it fits the category then it counts. This includes title, author, setting, plot, the cover, etc. Categories may be read in any order.
- Record only the books you finish. Write down the title in the space provided. You may also include date completed and a star rating. You can use the provided log, the library’s Beanstack app, or any other method that is convenient for you, but your log must be shown to a librarian at the conclusion of the challenge.
- All reading counts! You can include books read for other programs, including book clubs. Audiobooks and graphic novels are also acceptable for this challenge.
- Participants who finish and report before the deadline will be eligible for a completion prize. Finish reading and report to a librarian by **Jan. 3rd 2026**. No late entries will be accepted. Prizes will not be ordered until the conclusion of the challenge and will be available for pick up after March 1st 2026. The library will not ship prizes to participants.
