HONORING KATHRYN LOPEZ LUKER!:

One of our Youth Services Librarians, Kathryn Lopez Luker, is being honored by the Pocatello Branch of the NAACP at their annual Freedom Banquet. She was nominated for and selected to be this year's outstanding community educator for her work in promoting social justice in the community. She does this through her tireless efforts to share books with the community as she takes the library's Book Wagon out to the area parks and attends events like the Juneteenth celebration. She has also worked to give support and service to the Shoshone-Bannock tribal library. Kathryn said that one of the things she is most passionate about is giving all the children of the community the opportunity to learn about other cultures and traditions, as well as to be able to see themselves in the books they read. She has been employed at the Marshall Public Library for twenty years, and enjoys talking to people throughout the community about books and learning about other people's experiences and perspectives
