SUMMER READING: COLOR YOUR WORLD!

It's the most wonderful time of the year! That's right - it's Summer Reading season at the library. This year's theme is "Color Our World," and there will be opportunities for readers of all ages to get involved. From Free Art Friday to the return of the Family Book Walk to Afternoon Expeditions, the summer will be filled with activities for kids that help them explore both art and reading. Teens will have access to all of their regular clubs like Trading Card Game Club and Writing Workshops while also having opportunities to make paracord bracelets, stickers, and a DIY picky pad fidget. Adults won't be left out of the fun as they will be able to take part in the library's 2nd Annual Puzzle Tournament as well as participate in a visible mending working shop or explore the technicolor in the world around us. These are only a few of the many programs and events available at the library this summer. Summer Reading sign up begins Monday, June 2nd with a kick off event being held Saturday, June 7th from 2pm-4pm. Check our website for more information at www.marshallpl.org/summer-reading/. You can also follow us on social media (Facebook @marshallpl or Instagram @marshallpubliclibrary) for weekly updates. We hope to see you at the library this summer!
